## **Get a Better Job by Being a Better Speaker**

Remember how we talked about first impressions? We talked about creating an elevator pitch and so on. Well, consider this. Your first impression can be dramatically altered the first time you open your mouth. If you never read "How to Keep from Sounding LIKE Totally Stupid," it reiterates the importance of how you say hello - it is almost as important as what you say.

You need to get more comfortable with delivering yourself. Speaking in front of an audience will give you a way to practice handling interview snafus. Experience with public speaking will give you an edge over other candidates too. Do you want to learn to be a speaker, but don't know where to start? Let's face it when you are a presenter, you raise your profile and that equates a better job and to more money. The more adept you become at presenting to an audience, the more sovereignty you have as an "expert" in your field. So whether you want to learn to speak in public, be a better interviewee, or just make more money these Cheat Sheets are for YOU.

Speaker Cheat Skeet Kit includes press release template and speaker's bureau templates, list of the 10 essentials for your speaker's press kit, and articles 10 Ways to Use Public Speaking to Further your Career Goals; How to Customize your Bio for each Speech.
